

A full-page background image of a high-altitude mountain valley. In the foreground, a wide, muddy river flows through a deep canyon. A paved road follows the river's edge on the left. The canyon walls are steep and composed of layered rock and scree. In the background, majestic mountains rise, with the highest peaks covered in snow and partially hidden by a cloudy sky. The overall color palette is dominated by earthy browns, greys, and the white of the snow, with a slightly desaturated, cinematic feel.
